LEARNING

One UND Strategic Plan Goal 7: Attract support for the University by actively engaging alumni and donors. Goal by 2022, increase alumni contribution participation to 10% and achieve targeted fund raising goals set for each Dean, Vice President, and President.

UND SMHS Strategic Plan Goal 7: The SMHS will achieve the targeted fund raising goals set for the SMHS Dean and Vice President for Health Affairs.

1. Describe if/how your unit has addressed this goal.

Pediatrics indirectly addresses this goal through its faculty outreach and recognition program, many of whom are UND graduates. We will be sharing UND Pediatrics lanyards and have several teaching awards (Peds Grand Rounds of the Year, Fargo Pediatric teacher of the Year, and team teaching award for inpt/clinic/subspecialty)

2. Describe how your efforts are being assessed.

The idea is to recognize excellence in teaching among our faculty while raising the profile of the department across the state and look for increased participation in scholarly activity including presentation of grand rounds and attendance at grand rounds for those faculty across the state.

3. Describe how your unit analyzed these data and what assessments were determined.

this is our baseline year

4. Describe how your unit will implement any further changes and what barriers may exist.

with the pandemic more controlled, will there be opportunities for in person outreach? The next step after increasing a connection to the School and the Department would be to see if that translates into further opportunities for philanthropy

PROVIDE A RATING OF YOUR PROGRESS ON THIS GOAL: ● On Track; ● Delayed; ● Behind
