We now have two Wellness Advocates for medical students (“East and West”) We continue to assist the medical student Psychiatry Interest Group, and continue to enhance our informal and formal instruction of issues pertaining to psychiatry and behavioral health. The Chair has also given presentations on medical student provision of constructive feedback to faculty.

#### 2. Describe how your efforts are being assessed.

- 2) to interview at UNDSMHS Psychiatry residency program
- 3) matching with UND Psychiatry Residency

Whereas the number of residents choosing psychiatry as a residency has typically hovered near the national average of 5-6%, this year, 12% of the graduating class is choosing psychiatry.

#### 4. Describe how your unit will implement any further changes and what barriers may exist.

We continue to evaluate feedback from the students on clerkship rotations and AIs, including GQ, but other as well. A barrier continues to be the availability of community faculty and sites.

Our assistance in providing an additional Wellness Advocate for students and residents has been favorably received. Barriers to enhancing in-person activities and supports include the ongoing pandemic.
