LEARNING

One UND Strategic Plan Goal 1: Provide a strong undergraduate liberal arts foundation
UND SMHS Strategic Plan Goal 1: SMHS Units that offer educational programs will expand their curricula to include learning outcomes that align with UND's Essential Studies goals.

- *Critical Inquiry and Analysis*
- *Quantitative Reasoning*
- *Written Communication*
- *Oral Communication*
- *Information Literacy*
- *Intercultural Knowledge and Skills*

1. Describe if/how your unit has addressed this goal.

The pediatric clerkship learning objectives and educational activities cover all of the above goals.
Critical inquiry and analysis: PED-03 formulate reasonable differential diagnoses
Quantitative reasoning, Information literacy: PED-11 use evidence based medical literature
Written communication: Inpatient and outpatient patient write ups
Oral communication: Professor rounds and patient care
Intercultural Knowledge and Skills: PED-13 Identify cases where diversity affects patient care

2. Describe how your efforts are measured/assessed.

Students are evaluated by the preceptors on their performance and also log in E*value their diversity cases

3. How were the data analyzed and what were the outcomes?

Preceptor evaluations of student performance are compiled after each rotation. E*value logs are reviewed during and after each rotation. Students are meeting the requirements of the clerkship.

4. Describe how your unit will implement any further changes and what barriers may exist.

I believe we are on track and not anticipating any barriers to continue to meet our goals.

PROVIDE A RATING OF YOUR PROGRESS ON THIS GOAL: ● On Track; ● Delayed; ● Behind
