The Edwin C. James Lectureship was established in honor of Edwin C. James, MD (1932-1994); Professor and Chairman, UND Department of Surgery 1980-89; Dean, UND School of Medicine 1988-93; and Founder of the UND Surgical Residency Program.

Ajit K. Sachdeva, MD, FRCSC, FACS
Director, Division of Education
American College of Surgeons

Preparation of Residents for Surgical Practice: Challenges, Opportunities, and New Directions.

Objectives:
1. Discuss challenges associated with training surgery residents in the current environment
2. Outline approaches to adequately prepare residents for individual practice
3. Highlight new methods to assess the knowledge and skills of individuals entering practice and provide the requisite support

Edwin C. James Lectureship
and Surgical Resident Research Colloquium

June 26, 2015
Crystal Ballroom III
Ramada Plaza & Suites
1635 42nd St. South, Fargo, ND
701.277.9000
You are invited to attend the
Fourteenth Annual
Surgical Resident Research Colloquium

Each resident will present a research topic which will be judged by a panel of invited professionals. Every year the topics are identified between the resident and their mentor with the research conducted under the guidance of a faculty sponsor. Time for questions and answers will follow each presentation. The top two presenters will be honored at the Chief Resident Graduation Banquet to be held following the research colloquium on June 26 at 6:30 p.m. at the Ramada Plaza & Suites in Fargo, North Dakota.

2:30 pm  Shawn Olson, MD, PG-III
