GOAL 3 for **Pediatrics**

LEARNING

One UND Strategic Plan Goal 3: *Deliver more educational opportunity online and on-campus.*

UND SMHS Strategic Plan Goal 3: *The SMHS will identify opportunities to employ state-of-the-art technologies to enhance education.*

1. Describe if/how your unit has addressed this goal.

The department continues to have clerkship lectures online as well as continuing the online virtual Pediatric Public Health elective

2. Describe how your efforts are being assessed.

Nearly all required clerkship lectures are recorded and available online

This past academic year there were over 10 students taking the virtual Peds Public Health elective

3. Describe how your unit analyzed these data and what assessments were determined.

Entering this (hopefully) waning stage of the pandemic, there are some lecturers who would prefer to return so some live, more active learning, style lectures in addition to the recorded content

4. Describe how your unit will implement any further changes and what barriers may exist.

Consider opportunities for “flipped classroom” model with recorded lectures AND live active learning

PROVIDE A RATING OF YOUR PROGRESS ON THIS GOAL:  On Track;  Delayed;  Behind
