GOAL 6 for **Physical Therapy**

LEARNING

One UND Strategic Plan Goal 6: Meet educational needs of active duty and reserve personnel, veterans, and their families. Goal by 2022, A 25% increase in credit hours earned by active duty military personnel, veterans, and their families.

UND SMHS Strategic Plan Goal 6: The SMHS will determine how we may better meet the educational needs of active duty and reserve personnel, veterans, and their families.

1. Describe if/how your unit has addressed this goal.

The department identifies individuals currently serving as active duty troops or reserve troops. The department will work with the active/reserve duty individual to develop a plan that allows the student to progress through the program as they meet curriculum requirements. The department is not aware of any current active duty or reserve military members in the professional DPT program.

The Larry Mullins Scholarship includes criteria for active/reserve duty military personnel. The scholarship provides three awards of \$20,000 for one year in 2022 and will award three awards of \$20,000 in 2023.

2. Describe how your efforts are being assessed.

Analyzing our 2022 admissions, we had one individual out of 156 applicants identify them self as active involvement in the military or a military dependent. This individual was a qualified applicant but did not respond to schedule an interview. Therefore, no students with military background were accepted into this incoming class.

The Mullins Scholarship received 50 applications and three of the applicants had a military background.

Data for the next cycle is not yet available.

3. Describe how your unit analyzed these data and what assessments were determined.

See #2 above

4. Describe how your unit will implement any further changes and what barriers may exist.

We will continue to review applications and identify applicants regarding military service. We will work with campus resources to provide materials supporting military members, reserve troops, and military spouses.
