
UND SMHS Strategic Plan Individual Unit Report for 2022

GOAL 4 for Psych and Behavioral Science

LEARNING

One UND Strategic Plan Goal 4: *Enhance discovery at a level consistent with most research intensive universities (Carnegie R1) Goal by 2022, (\$120) million-internal and external funding sources.*

UND SMHS Strategic Plan Goal 4: *The SMHS will enhance basic, clinical, and translational health sciences discoveries while focusing on its stated purpose “of discovery of knowledge that benefits the people of this state and enhances the quality of their lives.” The SMHS will support Goal 4 by increasing its extramural funding by 10% per year based on a three year rolling average.*

1. Describe if/how your unit has addressed this goal.

As per last year, we continue to utilize the funding afforded by the collaboration with the Center for Rural Health, College of Nursing and Sanford Research, as well as additional funding from the UND President’s Office to maintain the Behavioral Health Bridge, a platform for public and provider education and guidance on mental health. Our department is part of the training core for a SAMHSA grant (Mental Health Technology Transfer Center). We also receive CRH funding from the CDC for enhancing wellness among rural health care provider, for which our department is a major collaborator. In addition, dialogue continues with a potential donor for sustained funding for physician wellness.

2. Describe how your efforts are being assessed.

Funding and sustained programing.

3. Describe how your unit analyzed these data and what assessments were determined.

Self-evident

4. Describe how your unit will implement any further changes and what barriers may exist.

Some of the above grants are ending their terms. We are looking at extensions of/other partnerships re: the Bridge project. We have put forward the idea for a wellness curriculum via grant funding.
