
UND SMHS Strategic Plan Individual Unit Report for 2022

GOAL 2 for **Senior Associate Dean for Medicine and Research**

LEARNING

One UND Strategic Plan Goal 2: Increase undergraduate, graduate, and professional graduation rates.
UND SMHS Strategic Plan Goal 2: SMHS Units will expand their current systems of student support to ensure continued high graduation rates and improve student satisfaction with the overall quality of their education.

1. Describe if/how your unit has addressed this goal.

Our graduation rates are consistent with national data. However, student satisfaction with the overall quality of student support and with their education has not been as high as we would like. We have redesigned and implemented an extensive longitudinal counseling system over the past two years and have completely redesigned the curriculum.

2. Describe how your efforts are being assessed.

Efforts are assessed by student surveys such as the ISA and ISA-2 as well as the graduation questionnaire.

3. Describe how your unit analyzed these data and what assessments were determined.

As noted, our students continue dissatisfied.

4. Describe how your unit will implement any further changes and what barriers may exist.

We continue to seek feedback from the students and to attempt to improve both the curriculum and student support mechanisms.

PROVIDE A RATING OF YOUR PROGRESS ON THIS GOAL: ● On Track; ● Delayed; ● Behind
