

STEPHEN M. SCOTT, MD, MPH
July 1, 2024

Personal

Citizenship: USA

Home Address:

Education

2006 – 2009 M.P.H., Johns Hopkins Bloomberg School of Public Health,
Baltimore, Maryland
Delta Omega Honor Society

1995 – 1999 M.D., Baylor College of Medicine, Houston, Texas

1989 – 1994 B. Music, Rice University, Houston, Texas
Magna Cum Laude

1989 – 1994 B.A. Biochemistry, Rice University, Houston, Texas
Magna Cum Laude

1988 Summer Engineering Experience at Dartmouth, Dartmouth
College, Hanover, New Hampshire

Postgraduate Education

2007 – 2008 Fellow, Predoctoral Director Development Institute, Society of
Teachers of Family Medicine, Leawood, Kansas

2003 – 2004 Fellow, Faculty Development Fellowship, Baylor College of
Medicine Department of Family Medicine, Houston, Texas

2002 – 2003 Co-Chief Resident, University of Washington Family Medicine
Residency, Seattle, Washington

2000 – 2003 Internship and Residency, Family Medicine, University of
Washington Family Medicine Residency, Seattle, Washington

Other Educational Experiences (selected)

2023 – 2024	CoachRICE Leadership Coaching Certification, Rice University, Houston, Texas
2016	Harold D. Craft Leadership Program, Cornell University
2015	Leading with Impact, Harvard Business School
2012	Negotiation and Leadership, Program on Negotiation at Harvard Law School
2005	Physician in Management, American Association for Physician Leadership

Academic Appointments

2023 – present	Clinical Professor, Tilman J. Fertitta Family College of Medicine, University of Houston
2023 – present	Senior Associate Dean for Education, Tilman J. Fertitta Family College of Medicine, University of Houston Lead, develop, and deliver all aspects of the education mission for the college of medicine including: <ul style="list-style-type: none">• Outreach and Student Pathways• Admissions• Student Affairs• Undergraduate Medical Education• Graduate Medical Education• Continuing Medical Education• Faculty Affairs• Faculty Development• Accreditation
2023 – present	Visiting Professor, Department of Medical Education, Burnett School of Medicine at Texas Christian University
2018 – 2023	Professor, Department of Medical Education, Burnett School of Medicine at Texas Christian University

- 2021 – 2023 Senior Advisor to the Dean for Accreditation and Clinical Affiliations, Burnett School of Medicine at Texas Christian University
- Led the Burnett School of Medicine to full LCME accreditation (awarded June 2023), advising and directing stakeholders across the breadth of the university and region, including all aspects of the school of medicine, main campus leadership and departments, and affiliations with over 80 city, county, and regional healthcare institutions, groups, and other clinical partners.
- 2018 – 2021 Senior Associate Dean for Educational Affairs and Accreditation, TCU Burnett School of Medicine
- Led, developed, and delivered the medical education program with annual budget of \$17.9 million; included oversight of:
- Admissions
 - Student Affairs
 - Curriculum
 - Clinical Skills
 - Assessment, Evaluation, and Quality Improvement
 - LCME Accreditation
 - Awarded preliminary accreditation in October 2018
 - Awarded provisional accreditation in June 2021
- 2018 – 2020 Chair, Department of Medical Education, TCU Burnett School of Medicine
- Recruited, led, and developed faculty in collaboration with Department of Faculty Affairs and Development; facilitated over 100 faculty appointments in the department.
- 2018 – 2020 Director, Longitudinal Integrated Clerkship, TCU Burnett School of Medicine
- Led and developed course and clerkship directors as well as leveraged institutional efforts in the creation and implementation of a fully longitudinal integrated clerkship curriculum across eight core disciplines; designed clinical experiences for the school of medicine; led the recruitment of over 600 clinical faculty for the fully constituted clinical curriculum.
- 2009 – 2017 Associate Professor, Department of Medicine, Weill Cornell Medicine – Qatar
- 2014 – 2017 Associate Dean for Student Affairs, Weill Cornell Medicine – Qatar

Led and administered student affairs at the medical college with an annual division budget of \$4.2 million; led and developed team of 15 staff and assistant dean for student affairs; developed and directed academic advising and faculty-student mentoring programs; developed and directed residency advising and career placement; directed student activities including student government, clubs and organizations, and student international service learning experiences; developed and led student health and wellbeing programs; developed and administered alumni affairs and related initiatives; oversight of major college events including orientations, white coat ceremony, honors and awards ceremonies, convocation and graduation; directed the office of the registrar, including student academic registration and health records, financial aid, and immigration.

Representative initiatives included:

- Division strategic planning, evaluation, and restructuring
- Developing and expanding learner-centered advising across foundation, pre-medical and medical programs
- Engaging faculty and staff at local and partner institutions to support academic, career, and residency advising
- Development of premedical and medical student service-learning experiences with partners Weill Bugando Medical Center and Catholic University of Health and Allied Sciences (CUHAS) in Mwanza, Tanzania.
- Implementation and customization of institutional student information system (Jenzabar), including comprehensive student record management with pre-matriculation, registration, grading, assessment, scheduling, advising, and other elements linked to standardized reporting and other regular program monitoring and evaluation tools.

2013 – 2014
(Aug – Mar)

Acting Associate Dean for Student Affairs, Weill Cornell
Medicine – Qatar

(see above)

2010 – 2013

Assistant Dean for Medical Education, Weill Cornell Medicine –
Qatar

Led all aspects of medical education as deputy to the Associate Dean for Medical Education; planned and administered annual division budget of \$6.5 million; Representative duties included: design and oversight of all aspects of the medical curriculum; design, implementation and evaluation of academic and career

advising; development and oversight of postgraduate and residency placement programs; preparation of the Dean's Letter.

2010 – 2013

Assistant Dean for Clinical Curriculum, Weill Cornell Medicine – Qatar

Led the design, implementation, and evaluation of the clinical curriculum, including first- and second-year longitudinal clinical medicine courses, core clerkships (medicine, surgery, pediatrics, obstetrics and gynecology, psychiatry, primary care, and neurology), and electives; developed faculty skills in teaching, assessment and evaluation; developed and evaluated the clinical skills center and clinical skills training across the four-year curriculum; hired, supervised, and mentored clinical curriculum staff, including clinical curriculum administrator, four senior curriculum assistants, clinical skills center administrator and associated staff.

Representative initiatives included:

- Developing and implementing standardized clinical clerkship evaluation forms
- Developing and implementing clinical masters program to enhance student clinical skills
- Developing and implementing longitudinal third-year medical student clinical curriculum
- Collaborating with clinical partners (i.e. Hamad Medical Corporation (HMC), Primary Health Care Corporation (PHCC), Aspetar Orthopedic and Sports Medicine Hospital, and others) to develop and administer clinical education programs, including site and faculty development
- Promoting research in medical education through collaboration with the Foundation for Advancement in International Medical Education Research (FAIMER) through local retreats and workshop for faculty and ongoing mentoring
- Developing professionalism tools and instruments to define, promote and assess professionalism in conjunction with the US National Board of Medical Examiners (NBME) professionalism project.
- Consultation with the American Board of Medical Specialties to develop international board certification standards for physicians

2003 – 2009

Assistant Professor, Baylor College of Medicine, Houston, Texas

Provided full-spectrum primary care for underserved populations in Houston, Texas, including outpatient and inpatient care with obstetrics and added credentials in colonoscopy; taught medical

students and residents in numerous formal course and clinical settings (as course director and course and clinical faculty); conducted research focused on patient-physician communication and access and barriers to cancer screening in the underserved.

1999 – 2000

Instructor, Chronic Disease Prevention and Research Center, Department of Medicine, Baylor College of Medicine

Served as International Health Liaison for projects in the Commonwealth of Independent States, including: development of a cancer registry in Semipalatinsk, Kazakhstan; community survey and needs assessment for primary care network in northeast Kazakhstan; hospital maternal and child health development in Baku, Azerbaijan; hospital and community health education in Sakhalin, Russia; and flu vaccination campaign in Kiev and Lviv, Ukraine.

1994 – 1995

Instructor, Kazan State Medical University, Kazan, Russia

Taught core university English courses, ESL and TOEFL preparation courses; conducted faculty development for professors in the department of foreign languages.

Hospital and Clinical Positions

2009 – 2017

Consultant, Hamad Medical Corporation, Doha, Qatar

2003 – 2009

Harris County Hospital District Affiliated Clinics and Hospitals, Houston, Texas

Attending Physician, Gulfgate Community Health Center

- Full spectrum primary care (including obstetrics) for underserved patients
- Development and implementation of colon cancer screening services

Attending physician, Ben Taub Hospital

- Inpatient obstetrics care
- Colon cancer screening services, including additional credentials in colonoscopy

Other Employment

1993

Reid H. Hansen, MD, Plastic Surgery, Peoria, Illinois

- 1992 Student Director, Cooperative Services International, Almaty, Kazakhstan
- 1991 Director of Outreach, Savannah Baptist Center, Savannah, Georgia

Honors and Awards

- 2015 Innovative Program Award, Society of Teachers of Family Medicine
 “This award honors fmCASES and its development of a set of online cases used to teach undergraduate students in family medicine that has had a significant, positive impact on family medicine education. In addition to providing a unique way of teaching and evaluating students, fmCASES has also provided a venue for faculty scholarship. A testament to the success of fmCASES is 40 online cases and its more than 90,000 unique users.” (From STFM award letter; as of 2017, fmCASES is now Aquifer Family Medicine.)
- 2009 Fullbright & Jaworski L.L.P. Faculty Excellence Award in Educational Leadership, Baylor College of Medicine
- 2009 Delta Omega Honor Society, Alpha Chapter, Johns Hopkins Bloomberg School of Public Health
- 2009 President’s Award, Society of Teachers of Family Medicine
 Awarded for the development of fmCASES, an online series of virtual patients designed to teach the national clerkship curriculum in Family Medicine.
- 2006 Cancer Control Career Development Award, American Cancer Society
- 2005 New Faculty Scholar Award, Society of Teachers of Family Medicine
- 2003 – 2006 National Health Service Corps Loan Repayment Scholar
- 2002 – 2003 Co-Chief Resident, University of Washington Family Medicine Residency
- 1999 Outstanding Student in Otolaryngology, Baylor College of Medicine

1996 – 1999	Alumni Scholarship, Baylor College of Medicine
1995 – 1999	Stalnak, Standlee, Ball, and Killson Foundation Scholarships, Baylor College of Medicine
1994	Phi Beta Kappa
1994	Magna Cum Laude, Rice University
1992 – 1994	Rice Fellow

Certification

2003 – present	American Board of Family Medicine
2016 – 2018	BLSO (Basic Life-Saving in Obstetrics), ILS (Immediate Life Support), PLS (Pediatric Life Support)
1999 – 2015	ACLS (Advanced Cardiac Life Support)
2005 – 2010	ALSO (Advanced Life Saving in Obstetrics)
2005 – 2010	ALSO Instructor

Licensure

2003 – present	Texas State Physician License L7170
2010 – 2017	State of Qatar Physician License
2000 – 2003	Washington State Physician License MD00042025
2002	South Carolina Volunteer Physician License

Professional Memberships

American Academy of Family Physicians, 1996 – present

Society of Teachers of Family Medicine, 2004 – present

Texas Academy of Family Physicians, 2003 – 2009

Washington Academy of Family Physicians, 2000 – 2003

American College of Physician Executives, 2005 – 2006

Dan L. Duncan Cancer Center, 2007 – 2009

Teaching

- 2019 – 2022 Problem-Based Learning Curriculum Leader and Facilitator, Burnett School of Medicine at Texas Christian University
Developed novel problem-based learning curriculum for new medical school; developed initial library of 50+ new cases; developed and debriefed faculty facilitators in dedicated workshops and weekly debriefing sessions; introduced and facilitated student sessions.
- 2016 – 2017 Faculty scholar, Patient Care and Physicianship (PCP), Weill Cornell Medicine – Qatar
Facilitate weekly skills-based small group experiences for early medical students; advise and assist theme leaders in design and delivery of PCP theme in the new curriculum
- 2010 – 2017 Clinical Master, Medicine, Patients, and Society (MPS) II, Weill Cornell Medicine – Qatar
Lead development, implementation, and evaluation of curriculum in the student's second year to enhance student clinical skills in physical examination and communication
- 2009 – 2017 Faculty, Clinical Skills Center, Weill Cornell Medicine – Qatar
Lead development and assessment of standardized patient cases and simulation curriculum, standardized patient and faculty development, and implementation and evaluation of new curricula for clinical skills acquisition
- 2009 – 2017 Lecturer, Primary Care Clerkship, Introductory Clerkship, and Longitudinal Clerkship, Weill Cornell Medicine – Qatar
- 2009 – 2016 Director, Medicine, Patients and Society (MPS) I, Weill Cornell Medicine – Qatar
Directed longitudinal year-long first-year medical student course focusing on the patient encounter, including interviewing and communication skills, physical exam, cultural competency and context of the encounter, introduction to the life cycle, epidemiology, biostatistics and evidence-based medicine

- 2015 – 2016 Facilitator, HBKU Certificate in Higher Education and Student Affairs, Hamid Bin Khalifa University, Education City, Doha, Qatar
- 2005 – 2009 Director, Patient, Physician and Society (PPS), Baylor College of Medicine
Directed introduction to year-long clinical medicine course for 180 first-year medical students; Developed, implemented, and evaluated weekly course sessions to develop students' communication and physical examination skills over their first year of medical school; Coordinated lectures, mentor sessions, and preceptor experiences for 180+ students, 25+ faculty mentors, and 150+ community physician preceptors; Provided faculty development to course faculty and community preceptors, including on-line multimedia preceptor orientation; Created, implemented and evaluated standardized patient experiences, including student assessment through objective structured clinical exams (OSCE); Developed electronic resources including interactive course management and evaluation tools.
- 2003 – 2009 Mentor, Patient, Physician and Society, Baylor College of Medicine
Led year-long biweekly small group of first-year medical students during introduction to clinical medicine course
- 2004 – 2009 Faculty Attending, Baylor Family Medicine Residency Obstetrics Inpatient Service, Ben Taub Hospital, Houston,
- 2005 – 2007 Preceptor, Longitudinal Ambulatory Care Experience Underserved Pathway, Baylor College of Medicine
- 2004 – 2007 Faculty Preceptor for resident prenatal care clinic, Antoine Community Health Center, Houston, Texas
- 2004 – 2009 Faculty Attending, Lecturer, Baylor Shoulder to Shoulder Community Health Partnership, Santa Ana, Intibuca, Honduras
- 2003 – 2009 Lecturer, Readings in International Health elective, Baylor College of Medicine
- 2007 – 2009 Lecturer, Intensive Course in Travel and Tropical Medicine, Baylor College of Medicine
- 2003 – 2009 Faculty preceptor, Family Medicine Clerkship, Baylor College of Medicine
- 2002 – 2003 Preceptor, University of Washington School of Medicine

1998 Facilitator, Integrated Problem Solving
First 4th year student to lead weekly required case-based inquiry
small group for 1st year medical students at Baylor College of
Medicine

Additional Leadership and Service

2024 – present Task Force, Texas Higher Education Coordinating Board Study of
the Higher Education Fund (HEF) Allocation Methodology

2024 – present Planning Committee, National Organization for Arts in Health
Conference, October 24-25, 2024.

2021 – present Mentoring Committee, Medical Education Senior Leadership,
American Association of Medical Colleges (AAMC)
Co-Chair 2022 – present

2023 – present Tilman J. Fertitta Family College of Medicine, University of
Houston

- Executive Committee
- Dean’s Cabinet
- Quality Improvement Committee
- Curriculum Committee (ex officio)

2018 – 2023 Burnett School of Medicine at Texas Christian University

- Senior Team
- Accreditation and Continuous Quality Improvement
Committee (Chair, 2018-2020, 2022-2023)
- Curriculum Committee (Ex officio)

2018 – 2022 Burnett School of Medicine at Texas Christian University

- Executive Committee

2018 – 2021 Burnett School of Medicine at Texas Christian University

- Council of Chairs
- Curriculum Committee (Ex officio)
- Curriculum Policy and Resource Subcommittee (Chair)
- Course and Clerkship Review Subcommittee (Ex officio)
- Exam and Quiz Review Team
- Medical Education Scholarship Committee
- Educational Affairs Leadership (Chair)
- Academic Liaisons Committee (Chair)
- Longitudinal Integrated Clerkships Task Force (Chair)
- Clinical Skills Task Force
- Phase 1 Task Force (Ex officio)

- Appeals Committee (Chair)
 - Faculty and staff search committees (Chair)
- 2018 – 2020 Burnett School of Medicine at Texas Christian University
- Appointment and Promotions Committee
- 2018 – 2019 Deans and Chairs Leadership Development Advising Team, UNTHSC and Burnett School of Medicine at TCU
- 2013 – 2017 Executive Committee, Weill Cornell Medicine – Qatar
- 2016 – 2017 Medical Executive Curriculum Committee, Weill Cornell Medicine - Qatar
- 2015 – 2017 Continuing Professional Development Oversight Committee, Weill Cornell Medicine – Qatar
- 2009 – 2017 Clinical Curriculum Committee (Chair, 2010-2013), Weill Cornell Medicine – Qatar
- 2016 – 2017 Foundational Sciences Curriculum Committee, Weill Cornell Medicine - Qatar
- 2009 – 2017 Committee on Promotion and Graduation for the Medical Program, Year One and Two, Weill Cornell Medicine – Qatar
- 2010 – 2017 Committee on Promotion and Graduation for the Medical Program, Year Three and Four, Weill Cornell Medicine – Qatar
- 2013 – 2017 Qatar Foundation Education City / Hamid Bin Khalifa University (HBKU) Student Affairs Coordination Committee
- 2013 – 2017 Jenzabar Executive Advisory Committee, Weill Cornell Medicine – Qatar
- 2010 – 2017 Clinical Faculty Search Committee (Chair, 2012-2013)
- 2009 – 2016 Affiliated Faculty Promotion and Appointment Committee
- 2014 – 2016 Curriculum Design Leadership Group, Weill Cornell Medicine – Qatar
- 2016 Task Force on Promotions from Premedical to Medical Curriculum
- 2010 – 2016 Basic Science Curriculum Committee, Weill Cornell Medicine – Qatar

2013 – 2015	New Curriculum Assessment Workgroup, Weill Cornell Medicine
2014 – 2015	Workgroup on advising (Chair), Weill Cornell Medicine – Qatar
2013 – 2015	Committee on Admissions for Medical program
2013 – 2015	Committee on Admissions for Pre-Medical Program
2013 – 2015	Weill Cornell Medical College – Hamad Medical Corporation Joint Institutional Review Board for Human Subjects Research
2012 – 2015	Virginia Commonwealth University Institutional Review Board for Human Subjects Research
2014 – 2015	Public Relations and Publications Sub-Committee, Weill Cornell Medical College in Qatar Inaugural Annual Innovations in Global Medical Education Health Education Forum
2012 – 2013	Co-Chair, Task Force on Student Performance
2010 – 2013	Member, Weill Cornell Medical College Institutional Review Board for Human Subjects Research
2010	Weill Cornell Medical College in Qatar Task Force on International Relationships
2008 – 2009	Grand Rounds Planning Committee, Baylor College of Medicine Department of Family Medicine
2009	Chair, Colon Cancer Workgroup, Cancer Prevention Research Institute of Texas (CPRIT) Working Committee, Baylor College of Medicine
2007 – 2009	Curriculum Committee, Baylor College of Medicine
2008 – 2009	Curriculum Evaluation Subcommittee, Baylor College of Medicine Curriculum Committee
2005 – 2009	Competency Subcommittee, Baylor College of Medicine Curriculum Committee
2007 – 2009	Professionalism Appraisal and Competency Evaluation Working Group, Baylor College of Medicine
2005 – 2009	Admissions Committee, Baylor College of Medicine

- 2006 – 2009 Committee on Student Promotions and Academic Achievement,
Baylor College of Medicine
- 2004 – 2008 Board Member, Shoulder-to-Shoulder Foundation, Baylor College
of Medicine
- 2004 – 2006 Baylor Family Medicine Residency International Track Task Force

Grants and Other Support

President, Academic Consortium, Aquifer. \$15,000 honorarium per year. 7/2022 – present.

Aquifer Strategic Leadership Council, Aquifer. Volunteer role with support for editorial board meetings and travel to Wellspring annual meeting. 7/2020 – present.

Academic Director for User Engagement, Aquifer. \$20,000 honorarium per year. 7/2018 – 6/2020.

Student Engagement Group: Race and Culture. MedU Academic Consortium Development and Innovation Grant. Chretien K, and Scott, SM. \$7,500. 4/2017 – 10/2017.

Professionalism in Medical Education: Exploring the Hidden Curriculum. Educators Across the Healthcare Spectrum competitive grant award supporting 2-day symposium at Weill Cornell Medicine – Qatar, 13-14 May 2017. Rakab A, Guiter G, Khidir A, Mahmoud M, Scott SM (Co-course Director), Abdel-Razig S, and Hafferty W. \$15,000. Awarded 11/2016.

Remediation in Health Professions Education: What Works? Educators Across the Healthcare Spectrum competitive grant award supporting 2-day symposium at Weill Cornell Medicine – Qatar, 8-9 May 2016. Scott SM (Course Director), Mian M, Guiter G, Chouchane L, Smith K, Nelson K, and Chou C. \$15,000. Awarded 10/2015.

Art and Medicine Learning Laboratory: Enhancing Student Performance and Enrichment through Cross-Disciplinary Collaboration. Qatar National Research Fund Undergraduate Research Experience Program (UREP) award 16-149-6-014, Alan Weber, PhD, Stephen Scott, MD, MPH, Thomas Himsworth MA, Amy Andres, PhD. \$10,000. 7/2014 – 6/2015.

MedU Teacher. Co-editor-in-chief of editorial board to develop and deliver tools to support educators adopting novel teaching technology and approaches. Institute for Innovative Technology in Medical Education (iInTime), Stephen Scott, MD, MPH, and Leslie Fall MD. \$13,000/year. 1/2014 – 12/2015.

Using Exam Room Monitors to Deliver Tailored Messages About Colon Cancer Screening. Dan L. Duncan Cancer Center, Houston, Texas. Principal Investigators: Stephen Scott, MD, Travis Gossey, MD. Pilot and implementation of a brief tailored video in the exam room to deliver messages about colon cancer screening to eligible, low-health literacy patients. \$60,000; funds for project staff and supplies, 6/2009 – 6/2011.

Use of Entertainment Education to Engage Patients in Decision-Making Processes for Colorectal Cancer Screening. National Cancer Institute R-03. Principal Investigators: Robert Volk, PhD, Stephen Scott, MD. Development of multimedia interactive decision aids to facilitate patient decisions about colon cancer screening. \$100,000, 7/2009 – 6/2011.

Family Medicine Computer-Assisted Simulations for Educating Students (*fmCASES*). Institute for Innovative Technology in Medical Education (*iInTIME*). Principal Investigators: Shou Ling Leong, MD, Alec Chessman, MD, John Waits, MD, Stephen Scott, MD, Leslie Fall, MD. Development of web-based virtual patient cases for use during the third-year Family Medicine clerkship. \$18,000, 7/2009 – 6/2010, \$1000 annually 7/2010 – 6/2015, \$2500 annually 6/2015 – present.

Predoctoral Training in Primary Care. Health Resources and Services Administration (HRSA), D56HP10306. Principal Investigator: William Huang, MD. Co-Investigator: Stephen Scott, MD. Health professions training grant; responsible for developing standardized patient cases teaching and assessing cultural competence for first- and third-year medical students and developing mechanisms to assist >150 ambulatory teaching sites in receiving certification in patient-centered medical homes. \$250,000. 7/2008 – 6/2011.

Cancer Control Career Development Award for Primary Care Physicians. American Cancer Society. Principal Investigators: Stephen Scott, MD, Robert Volk, PhD (mentor). Study of impact of financial incentives on screening rates for colon cancer in the underserved, advocacy for access to and delivery of colon cancer screening education and services, development of epidemiology, health management and related skills through completion of MPH degree at the Johns Hopkins Bloomberg School of Public Health. \$195,000, 7/2006 – 6/2009.

Promoting Colorectal Cancer Screening among Primary Care Patients with Low Health Literacy. Dan L. Duncan Cancer Center, Houston, Texas. Principal Investigators: Robert Volk, PhD, Maria Jibaja-Weiss, EdD; Co-investigator: Stephen Scott, MD. Physician expert to develop one-minute edutainment videos for delivery in the exam room at the point of care to eligible patients; intervention grounded in health behavior change theory and educational models; developed scripts, tested in focus groups, designed implementation and evaluation plans. \$111,765, 7/2007-6/2008.

International Healthcare Partnerships, American International Health Alliance, Washington, D.C. Principal Investigator: Armin Weinberg, PhD. Assisted Baylor Chronic Disease Prevention and Control Research Center with grant development, submission, implementation, administration and evaluation of healthcare projects in Sakhalin, Russia (Regional hospital partnership and community health programs, \$55,000 per year), Semipalatinsk, Kazakhstan (Development of cancer registry and primary care initiatives, \$75,000 per year), and Baku, Azerbaijan (Maternal and child health projects, \$65,000 per year). (100% effort), 7/1999 – 6/2000.

Other institutionally supported scholarly projects:

Scott SM, Famy C, Smith C, Wong J, Chen L, Mitchell S, Zantop V. *Raising awareness of emergency contraception among women in a primary care clinic setting.* University of Washington Family Medicine, Seattle, Washington, 2002-03.

Scott SM, Brownell WE. *The effect of serum lipids on outer hair cell viability in vitro.* Baylor College of Medicine, 3/1998-4/1998.

Scott SM, Bailey W. *Ramifications of piano performing injuries.* Shepherd School of Music, Rice University, 1/1994 – 5/1994.

Scott SM, Smith P, Hansen R. *Skin flap survival after periods of vascular occlusion in a rat model.* University of Illinois – Peoria School of Medicine, 5/1993 – 8/1993.

Extramural Responsibilities

1. Journal and Editorial Board Review

- | | |
|----------------|---|
| 2022 – present | Reviewer, <i>Teaching and Learning in Medicine</i> , Taylor and Francis Group, Informa UK Limited |
| 2009 – 2017 | Reviewer, <i>Medical Education</i> , Association for the Study of Medical Education, ed. Kevin W. Eva, Wiley-Blackwell |
| 2009 – 2017 | Reviewer, <i>Progress in Community Health Partnerships: Research, Education, and Action</i> , Johns Hopkins University Press |
| 2013 – 2017 | Reviewer, <i>Family Medicine</i> , Society of Teachers of Family Medicine (STFM) |
| 2010 – 2017 | Associate Editor, fmCASES Editorial Board
Leadership of peer-reviewed, on-line virtual patient cases providing comprehensive coverage of the Family Medicine |

- curriculum for use in third-year medical student clerkships; development of additional cases, modules, and educational tools for students, faculty and preceptors
- 2014 – 2015 Co-Editor-in-Chief, MedU Teacher Editorial Board Leadership of editorial board to develop online resources to support educators using novel educational methods and approaches
- 2006 – 2012 Reviewer, Research in Medical Education (RIME), American Association of Medical Colleges (AAMC)
- 2008 – 2010 Project Leader, fmCASES Project Development Group Creation of peer-reviewed, on-line virtual patient cases providing comprehensive coverage of the Family Medicine curriculum for use in third-year medical student clerkships; curriculum planning, case authorship, mentoring six case authors, and development of implementation strategies; developed in conjunction with pediatric (CLIPP, <http://www.clippcases.org/>), internal medicine (SIMPLE, <http://www.simplecases.org/>) and surgery (WISE-MD, <http://wise-md.med.nyu.edu/cases>) through collaboration with the Institute for Innovative Technology in Medical Education (iInTime, <http://www.i-intime.org/>)

2. Panels and Other Review

- 2009 American Board of Medical Specialties (ABMS): Defining cost measures for episodes of care for colon cancer and colon cancer screening, Chicago, Illinois; sponsored by the Robert Wood Johnson Foundation
- 2007 – 2009 Interviewer, Pisacano Scholars Leadership Program

65. **Scott SM**, Chang T. *Is web-based video an effective tool for community faculty development?* Academy of Distinguished Educators Showcase of Educational Scholarship, Baylor College of Medicine, 2007 October 3, Houston, Texas.

Invited International, National and Regional Presentations

1. **Scott S**, Stewart E, Fall L. *The Future of Formative Assessment: Building Master Adaptive Learners*. Learn Serve Lead 2022, American Association of Medical Colleges, 2022 November 13, Nashville, TN.
2. **Scott SM**. *Longitudinal Integrated Clerkships: a New Model for Medical Student Education*. Annual Deans Retreat, Deans of Theological Education, Baptist General Convention of Texas. Leader for 1.5-day retreat. Initially scheduled for February 4, 2022 but cancelled due to ice storm; new date pending.

3. **Scott SM** (Co-course Director), Rakab A (Co-course director), Guiter G, Khidir A, Mahmoud M, Abdel-Razig S, and Hafferty W. *Professionalism in Medical Education: Exploring the Hidden Curriculum*, a 2-day symposium at Weill Cornell Medicine – Qatar, 13-14 May 2017, Doha, Qatar.
4. **Scott SM** (Course director), Chao C, Chouchane L, Guiter G, Smith K, Nelson K, Mian M. *Remediation in Health Professions Education*, a 2-day symposium held at Weill Cornell Medicine – Qatar, 8-9 May, 2016, Doha, Qatar.
5. **Scott SM**. *Simulated Patient Exams: Instrument Development and Standard Setting*. Invited 1-day seminar at Suez Canal University Department of Family Medicine, 19 July 2012, Suez, Egypt.
6. **Scott SM**. *Colorectal Cancer Screening and Prevention: What's New?* Third Family Medicine Symposium, King Faisal Specialist Hospital and Research Centre, 2011 November 29, Jeddah, Saudi Arabia.
7. **Scott SM**. *Impact of Physician Incentives on Colon Cancer Screening in the Underserved*, Primary Care Research Forum, University of Texas Medical Branch, 2009 February 17, Galveston, Texas.

Community Engagement (selected)

Collaborative Pianist, Texas Christian University School of Music
 Accompanist for University Singers, an auditioned chorus for music majors;
 accompanist for various vocal and instrumental soloists. 2022-23.

“Art and Medicine,” a public art exhibition by students working at the intersection of art and medicine. A collaboration between Virginia Commonwealth University – Qatar and Weill Cornell Medicine – Qatar, students from both institutions spent a semester in a learning laboratory that researched the disparate but connected practices of art and medicine. The project allowed students to participate in a series of interdisciplinary collaborations that used innovative pedagogies to explore methods, materials, and tools that transcend their respective disciplines. Alan Weber, PhD, Stephen Scott, MD, MPH, Thomas Himsworth MA, Amy Andres, PhD. 2016 April 11 – May 14, Doha, Qatar.

“Jazz and the Art of Communication,” an exploration of the parallels between communication in jazz and communication in the doctor-patient encounter with live musicians from Jazz at Lincoln Center. Stephen Scott, MD, MPH (Director and moderator), Dominick Farinacci, Gregory Generet, Matthew Rybicki, Takeshi Ohbayashi and Shawn Baltazor, 2014 April 2, Doha, Qatar.

“Celebrating Childhood,” a solo piano benefit concert by Stephen Scott to benefit Molly’s place, a center for hospitalized children and their families at Dartmouth Hitchcock Regional Medical Center, 2011 September 18, Lebanon, New Hampshire.

“Aspirin for Cancer Patients?” Live television interview on FOX-TV morning news segment, 2009 Aug 18, Houston, Texas.

“Zoot Suit Boogie,” a 55-minute professionally produced play about colorectal cancer screening written by Richard E. Reyes. Clinical advisor during script writing; participated as “The Doctor” during the performance; sponsored by the Office of Outreach, Dan L. Duncan Cancer Center, Baylor College of Medicine in collaboration with Pancho Claus Art & Education Project; performed at the West End Multi-Service Center, 2009 Mar 19, 2009 Jul 20, Houston, Texas.

“Pianos and Peru,” a two-piano benefit concert by Stephen Scott and Cynthia Blackwell for children’s nutrition and after-school programs in Collique, a shanty-town on the outskirts of Lima, Peru; amount raised: \$35,000; 2008 Nov 15, Houston, Texas.

“The Marriage Test,” a 90-minute professionally written and produced play about colorectal cancer and colorectal cancer screening written by Thomas Melancon. Clinical advisor to the project; included script review and editing, meeting with playwright, attending dress rehearsal, and serving on panel to answer questions after performances of the play; sponsored by the Office of Outreach, Dan L. Duncan Cancer Center, Baylor College of Medicine; performed at community churches on 2008 Feb 23, 2008 Mar 15, 2008 Apr 19.
