AGENDA ITEM	SUMMARY	ACTION/FOLLOW-UP
1. Welcome	<b>Meeting called to order at 2:00 p.m. by chair, Adrienne Salentiny</b>	<b>Information</b>

3. CVL: New words approval process	<p>Controlled Vocabulary List (CVL): New Words Approval Process:</p> <ul style="list-style-type: none"> <li>• AS: Suggest that we table until our Librarians are able to speak to this at the next CEMC meeting. This was a goal to have CEMC look into this do after the Curriculum Retreat. Currently we are finding new words and similar words that are being added through the year. The approval process for each approved word may not be not happening in the way we planned.</li> <li>• RVE: As of now, the CVL is complete and well populated. Do we need to approve on an annual basis or approve new words at each CEMC meeting? If we approve each word, then the word goes into the spreadsheet to Becca Maher and nothing gets into the data base without approval from CEMC.</li> <li>• RVE: Propose the ongoing mapping basis and present new words to map at CEMC meeting before put into curriculum database by Becca.</li> <li>• AS: Let's ask librarians about what they would like to see in the process at next meeting.</li> <li>• RVE and AS: Will communicate this to Librarians and draft a proposal for discussion at the next meeting.</li> </ul>	<b>Action Item: CEMC has approved to draft a process and have the Librarians approval to have the Controlled Vocabulary List as a standing agenda item and will approve new words at each meeting.</b>
