<b>AGENDA ITEM</b>	<b>SUMMARY</b>	<b>ACTION/FOLLOW-UP</b>
<b>Call meeting to order</b>	Meeting was called to order by Dr. Ken Ruit, Committee Chair.	
<b>Review of Minutes</b>	June 14, 2023 minutes were reviewed. Minutes posted to Blackboard. The committee did not meet in July.	Minutes approved.
<b>Plan for FASRC Element Review for 2023-24</b>	<p>Dr. Ruit shared the review schedule document. The document is posted on BB. FASRC is responsible for the review of Elements 2.4, 2.6, 3.2, 5.6 and 5.11. The content experts have been identified and are notated in the document. An outline of the status report narrative responses is due September 30. Reviewed the available data for the cited elements.</p> <p>2.4 SM. There are four questions on the mid-year survey. The survey has been renamed and will be called the Annual Student Engagement Survey going forward. Noted improvement from the original ISA (2020-21), with M2's most dissatisfied. 2023 GQ data also shows improvement. Percent</p>	

	<p>dissatisfaction below the national average for 2023.</p> <p>2.6 SM. No student data for this element. The 2023-24 Committee Roster is a supporting document. Changes have been made to the Bylaws and have been approved. The changes ensure that there is regional campus involvement/membership on committees.</p> <p>3.2 SM. Improvement for M1's in access to research. Support for Research improvement for M1's with M2's with M3's still dissatisfied. The ISA questions are not asked on the GQ.</p> <p>5.6 SM &amp; 5.11 U. GQ data dissatisfaction well below the national average for study space and relaxation space.</p>
