<b>DESCRIPTION:</b>	Mid-Course Formative Feedback Procedure		
<b>RESPONSIBLE:</b>	<b>UNDERGRADUATE MEDICAL EDUCATION COMMITTEE</b>		
<b>PURPOSE:</b>	Provide guidance for the delivery and documentation of mid-course formative feedback to all medical students in each required course and clerkship.		
<b>FREQUENCY OF REVIEW:</b>	Annually		
<b>CREATED:</b>	October 31, 2021	<b>REVISED:</b>	12/2024

Mid-course written and/or verbal formative feedback shall be provided to all medical students in each required course. A course or clerkship less than four weeks in length must provide alternate means by which medical students can measure their progress in learning. It is the responsibility of the course or clerkship director to ensure that medical students receive mid-course formative feedback, and the feedback is documented.
