

Orientation Procedure

1. All PGY-1's, first year fellows, and transfers are required to:
 - a. Complete UND SMHS New Resident/Fellow Orientation.
 - b. Complete GMEC approved learning module(s).
2. Required GMEC approved learning modules shall be completed by the last Tuesday in July of each year with clinical privileges to be suspended if incomplete.
3. Off-cycle Residents and Fellows will be required to complete orientation requirements including GMEC approved learning modules prior to starting clinical duties.
4. Residents who are entering a UND SMHS fellowship program and have graduated from a UND SMHS residency program within the past academic year are exempt from completing UND SMHS New Resident/Fellow Orientation and GMEC approved learning modules.
5. Residents who are transferring to or are entering a different UND SMHS residency program and have completed UND SMHS New Resident Orientation requirements are exempt from completing UND SMHS New Resident/Fellow Orientation and GMEC approved learning modules if completed within the past academic year.
6. Refer also to the Residents as Teachers Policy.
7. Residents and Fellows who will be on visas for residency/fellowship training are not permitted to attend UND SMHS New Resident Orientation unless their visa is approved.
