AGENDA ITEM	SUMMARY	ACTION/FOLLOW-UP
1. Call to order		
2. Approval of Minutes	1/7/2021	Motion to approve by Scott Garrett and seconded by Sarah Nielsen; Unanimously Approved
3. Old Business	None	
New Business 4. Physician Assistant <i>Presenter: Jeanie McHugo, PA</i>	PA : The MPAS program has submitted minor changes to our program regarding admission information. We update our webpage (and thus our program and admission description) every year after data collection and analysis of each admission cycle. Often it is fine-tuning of verbiage for clarity. Similar to last year when Russ Kauffman came to the BHSCC committee meeting to present changes, the submissions are the next step in following through this process, largely driven by accreditation and some by best practices within the profession.	Suggested text revision. Passed unanimously. (Nielsen, Germundson)
5. MLS	<i>The UND Department of MLS has recently decided to change the application date for its traditional program route. There are a number of reasons for this change, but the main reason is for alignment with other program routes.</i> <i>The application change means students will now be applying a bit later in their course of studies, so they will remain as <u>Pre-MLS</u> students for a bit longer before being moved to the professional <u>BS in MLS</u> or <u>Certificate in MLS</u> program.</i> <i>There are five pre-requisite MLS courses that our traditional route students need to take, but with this application date change, the students will be at the Pre-MLS level at the time they need to take the courses (instead of already being advanced to the BS or Certificate level as</i>	Passed unanimously. (Nielsen/Germundson)

	<p><i>they had in the past). As such, we need to adjust the pre-requisites for these five courses to include <u>Pre-MLS</u>.</i></p> <p><i>The current requests in CourseLeaf are to make this pre-requisite change (adding <u>Pre-MLS</u>), for the following courses:</i></p> <ul style="list-style-type: none"> • <i>MLS 220</i> • <i>MLS 226</i> • <i>MLS 332</i> • <i>MLS 334</i> • <i>MLS 339</i>
