AGENDA ITEM	SUMMARY	ACTION/FOLLOW-UP
1. Call to order	Meeting called to order	
2. Approve Minutes	Minute from March 5, 2020	
3. PA Requests <i>Presenter: Jeanie McHugo</i>	<p><u>Course Change</u> PA 580 : Specialty Clerkship</p> <p>The changes to this course are intended to allow flexibility in scheduling of clinical clerkships for PA students. Currently, students can only complete this course/clinical experience in the spring. There are no other changes to this course except the timing and the number of credits students can register for each semester. The course usually involves 2-3 different clinical settings for each student, so splitting the credits into different semesters is easy to do. The faculty in the DPAS approved this change in 2018, however, the changes were missed on submission of our other changes at that time.</p>	Zachary Lunak motioned to approve request, Sarah Nielsen seconded the motion, motion unanimously approved with one abstention (Jeanie McHugo).
