Elective Description

Campus: Northeast (Grand Forks)  Department: Family Medicine
Elective/Experience Title: Collegiate Team Sports Medicine  Course Number: FMED 9320
Location of Elective: Altru Family Medicine Residency – Grand Forks, ND

Preceptor(s): Gregory Greek, MD; Marc Nielsen, MD & Adam Quinn, MD (main contact)
Period(s) Offered: 3, 4, 5, 6, 8, 9
Number of students per period: 1

Purpose: To provide education and experience in the care of patients in an outpatient sports medicine setting.

Objectives: Following successful completion of this elective, the student will be able to:
1. Evaluate patients with acute sports injuries, formulate a definitive diagnosis, and create a management plan for these patients including triage, emergency care, stabilization, and transportation.
2. Evaluate patients with chronic sports injuries, formulate a definitive diagnosis, and create a management plan for these patients.

Instructional Activities: During this elective, the student will be involved in/experience:
1. Sports medicine lectures offered in the Center for Family Medicine (CFM) residency program.
2. Observation at the UND Center for Sports Medicine.
3. Coverage of seasonal sporting events with a preceptor.
4. Patient work-ups at CFM or UND training rooms.
5. Directed readings in sports medicine.
7. Teach one (1) ‘in-service’ for athletic training students.

Criteria for Grading: During and following this elective, the preceptor will:
1. Evaluate by direct observation the student’s ability to develop a differential diagnosis.
2. Evaluate by direct observation the student’s procedural skills.
3. Evaluate by direct observation the student’s presentation/teaching skills.
4. Complete the standardized UNDSMHS senior elective evaluation form.
