

Job description

Apex Physical Therapy and Wellness Center is a private practice, outpatient physical therapy clinic offering patients high quality care with a personal touch. At Apex Physical Therapy and Wellness Center, we believe that every patient should receive the time and quality care that is needed to help them prevent or rehabilitate their injuries or illnesses. We pride ourselves in putting your needs first.

Apex is looking for a full-time Doctor of Physical Therapy to work at our Jamestown and LaMoure locations. New graduates or experienced therapists are welcome to these friendly communities with a strong school and sports program. This is an outpatient, orthopedic setting with a variety of diagnoses treated. Full-time position comes with competitive compensation and full benefits package. Sign-on bonus available.

Full benefits package includes 401K, health insurance, PTO, paid continuing education and professional memberships, fun, collaborative working environment with a focus on professional and personal development. Some flexibility with work schedule and no weekends or holidays.
