

Kathleen and I are looking for a physical therapist to join our practice in Hettinger, ND. Encompass Therapy is a busy, dynamic practice with a small staff of 4 providing PT in an outpatient setting as well as long term care, mobile in-home visits and school settings. Our staff all have over 25 years of experience and it would be a great opportunity for a new graduate to learn and grow. We offer a competitive salary and full benefits. Please let your graduates know of this opportunity. They can learn more about us at [www.encompasstherapy.org](http://www.encompasstherapy.org) or can email at [EncompassTherapyND@gmail.com](mailto:EncompassTherapyND@gmail.com). My phone number is 701-567-3749 and our clinic number is 701-567-8910. Thanks and blessings.
