

Rapidly Growing Private Therapy Practice Seeks Passionate, Motivated, Team Player Physical Therapist to Join our Team.

- Do you want to work in an environment where you are encouraged to learn and expand your skills?
- Do you want to be able to put your clients first before insurance companies, administration, etc.?
- Do you want to schedule your own hours, so you do not miss those important events in your life?
- Do you want the flexibility to be able to schedule a personal appointment mid-day and not be frowned upon?
- Do you want to have a schedule where you only have to see 5-6 clients a day for a full-time position?
- Do you want to work in an environment where you are encouraged to learn and expand your skills?
- Do you want the opportunity to work in diverse practice settings vs. being stuck doing the same thing day in and day out?
- Do you want to be able to have the flexibility and freedom to implement new programming?
- Do you want to feel appreciated for all of your hard work?

If this is you, We Have a Great Opportunity for YOU! **Home Therapy Solutions** has established itself as a leader in the community.

- We are the only Age Friendly Therapy Practice in the area!
- We have a clinic space as well as provide mobile outpatient therapy (not home health) in Grand Forks and East Grand Forks.
- Time and family are two things HTS values and we want our therapists to be able to spend the time they need with their family, so flexible scheduling is allowed to make that happen. We do not work on holidays, weekends, or evenings.
- You create your own schedule to work around your family! Say goodbye to productivity requirements and unrealistic patient visit requirements and focus on your client!!
- Our clients are our #1 priority! Extremely Competitive Salary and Benefit Package, including excellent health insurance.
- Paid continuing education to become certified in some of the best certification programs around.
- Various PT positions available including geriatric, women's health, orthopedic, chronic pain, neurology.
