

## ***Little Miracles Pediatric Therapy Clinic Is Hiring!***

Are you looking for a career opportunity that feeds your *passion* for what you do every day in your work? Do you long to feel like what you do matters and that you truly *make a difference* in the lives of the people you serve? If you are a mission-driven professional who yearns to be part of something bigger than yourself, then we want to meet you! Little Miracles, Inc. is in search of a **Pediatric Physical Therapist Assistant** who wants to be our next dream team member! This is a great opportunity to work for a growing, locally owned and operated company that uniquely supports children and families in the Greater Grand Forks community. Little Miracles is therapist-run!

**About Us:** Little Miracles was established in May 2006 by a pediatric physical therapist with a mission to serve children with special needs and their families in a setting that offers service delivery like no other facility in our region. We are an inclusive child care center as well as a pediatric therapy clinic. Little Miracles has seen tremendous growth in the past 10+ years, particularly since adding our outpatient clinic location in 2012. We have grown to a team of nearly 20 clinicians including physical therapists, occupational therapists, speech language pathologists, occupational therapist assistants, physical therapist assistants and speech language pathologist assistants with over 80 years of combined experience! The opportunity for growth and development as a clinician, surrounded by such an amazing, highly experienced team, is unlimited! In addition to seeing children at our family and child-friendly clinic, we also serve children at our child care center and other local child care programs within their natural environment, as well as medically-fragile children in their home setting.

**Benefits of This Position:** In addition to having access to a diverse team of professionals, a friendly work environment and state of the art equipment, Little Miracles offers you the opportunity to evaluate and treat children of all ages with a wide array of medical and developmental needs. Flexibility and “out of the box” thinking is key to our success, all while utilizing evidence-based interventions. This position also allows for the opportunity to provide free developmental screenings to children in our community, participate in community events that support our mission, and participate in education of area physicians, psychologists, child care providers, and students. Financial benefits of this position include:

- Competitive wage and bonus structure
- Employer subsidized major medical insurance
- Employer matched IRA
- Continuing education funding
- Access to dental insurance
- Access to Aflac products
- Child care discount
- Therapy discount
- Paid time off
- Paid holidays

I would be happy to answer any questions you have about Little Miracles and this opportunity! Please feel free to call me at 701.772.3851, ext. 3 or email me at [tammy@littlemiraclesinc.com](mailto:tammy@littlemiraclesinc.com). I look forward to hearing from you!
