

TRIA Physical Therapy in Plymouth MN has a 1.0 ortho PT position open 😊

We are an outpatient clinic servicing the west/west central Minneapolis area and suburbs. We have 12 PT's and 1 HDT, 3 full time support staff. We see a variety of patient ages and diagnoses with a team that has a variety of specialty training. Lymphedema, vestibular, concussion, running, pilates, TMD, chronic pain, pelvic health, pre/post-natal, osteoporosis, dry needling, golf, headache & bariatric to name a few.

This position doesn't require any specialty experience, but there is ample opportunity for specializing in your interest area!
