Donald Warne, M.D., M.P.H.

Upon completion of this program, the learner will be able to discuss telehealth basics and differentiate between telehealth and telemedicine. Participants will also be able to adapt their practice to meet the specific needs of their patients (i.e., diabetes, COVID-19, physical therapy, occupational therapy) using telehealth tools and strategies.

For more information or to register, please contact Kristen Peterson at [kristen.peterson@UND.edu](mailto:kristen.peterson@UND.edu) or call 701.777.4305.
