

Access online library resources

1. Visit the library's homepage at <http://med.und.edu/library>
2. Click on a linked resource from the library's website (e.g. Dynamed)
3. You will land on the ODIN Login form – see below.

A screenshot of the ODIN login interface. At the top left is the "ODIN" logo. Below it is a "Login as Guest" button. The main form has two input fields: "Library Barcode or NDUS Account:" and "Password:". Below the first field is a hint: "14 digit barcode or first-name.last-name". To the right of the password field is a "Help" button. Under "User Verification Source:", there are two radio button options: "ODIN Libraries Shared User File" (which is selected) and "ND Youth Correction Center User File". At the bottom of the form are "Login" and "Back" buttons.

Login

4. Enter your IdM / Blackboard credentials (first-name.last-name + your current password) into the form.
OR
Enter the credentials that were sent to you when you applied for an account (usually an email address and your last name).
5. Search for materials and access full text documents.
