Associate Professor Brooke Solberg
• Brunzel as above for MLS 474 Clinical Urinalysis

Also: Access to medical terminology definitions via a reliable internet source or medical dictionary source needed throughout the clinical practicum year.

MLS 490 and MLS 494
Textbook information for additional fall or spring courses (MLS 490 Financial and Quality Management of the Clinical Laboratory and MLS 494 Clinical Immunology) will be given to you after summer practicum.

Save your textbooks and lab manuals.
You will use them at your clinical site, to study for the Board of Certification (BOC), and at your first job in MLS.
