

Avera St. Luke's – Aberdeen, SD Physical Therapist-Outpatient

· **Requisition Number: 2103388**

Job Summary:

The Physical Therapist is accountable for the evaluation and treatment of patients, infant to geriatric, with disabilities, disorders, and injuries, to relieve pain, develop or restore function and achieve maximum performance, including long and short term goals.

Demonstrates knowledge of the principles of growth and development and possesses the ability to respond to specific issues and data reflective of the patient/customer's status. Demonstrates the knowledge and skills necessary to provide care for the population served in the department.

Generally, hours are Monday through Friday 8:00 am to 5:00 pm with weekend and holiday rotations, however early start and finish times are also required due to patient scheduling. Hours with adult outpatient care will be dedicated to 60% - 70% of time.

Education/Experience:

- *Master's Degree* required. Doctorate preferred.
- Must be a graduate of/or certified from a curriculum of physical therapy approved by the APTA accrediting body.

License/Certification/Registration:

- Must be currently licensed to practice physical therapy by the SD State Board of Medical and Osteopathic Examiners. This job position requires that you maintain a valid driver's license.
- BLS (Basic Life Support)
