MANAGER OF REHAB for Acute Care / Southern California / PT, OT, or SLP

A collaborative rehab leadership team within a dynamic organization!
Great pay and so much potential for career growth

COMPENSATION:
- The Midpoint of the salary range is $148,500 and is based on experience / plus 6K Bonus

LOCATION: Absolutely beautiful location, endless outdoor recreation, city amenities, picturesque mountainous views, beaches. And perfect weather all year.

REPORTS TO: Director of Rehab; who recently put in place “Shared Leadership”

ORG CHART: Director of Rehab, Manager of Acute Care Rehab, Clinical Lead Therapists (the Clinical Lead Therapists report to Manager of Acute Care Rehab)
- A large Acute Care Rehab Team.
- Direct Reports: 8 SLP, 10 OT, 22 PT, 4 Aides (Clinical Lead Therapists help with evals)
- Clinical Lead Therapists address many day-to-day issues / the Shared Leadership frees up time, so Manager of Rehab oversees operations of Acute Care Rehab

ROLE:
- 100% Management
  - Specialties: Total Joint Replacements / Med-Surg / Neuro / Trauma / ICU, NICU, PICU
  - Patients: Stroke, Ortho surgeries, Trauma patients, Cardiac patients, Elderly complex patients, MICU, SICU, NICU, PICU, Pulmonary Hypertension, Cystic Fibrosis, Infants
- New Growth Projects:
  - Pre-Op and Post-Op outcomes for Total Joint
  - Visits/day and the % of missed visits due to staffing resources
  - Time break down for efficient staffing with patient volume
  - Time needed for documentation
  - Employee engagement results
  - % of post-op seen by PT
  - Assess new program of “in charge therapist” to receive calls throughout the day, to improve communication between departments
  - FEES/Fiberoptic endoscopic evaluation of swallowing
  - Clinic for screening babies that were in NICU
  - Integrating therapists in NICU with nursing

- Regulatory guidelines / Budget / Policies, Procedures / Continuous Improvement of Processes

SEEKING:
- Dynamic therapist with Acute Care leadership experience. Bring your ideas to further build the Acute Care Program. Employer provides a free 2-year management training in leadership skills, emotional intelligence, budget, financial reports, plus more! This is a formal training program.
