

## OUTPATIENT FULL-TIME PHYSICAL THERAPIST POSITIONS AT MOUNTAIN LAND PT

### Who We Are

Mountain Land Physical Therapy is seeking 3 full-time physical therapists to join one of our 3 Montana outpatient clinics. We are a national leader in clinical excellence with over 40 locations and are owned and operated by physical therapists, meaning that every decision made has the patient in mind.

### The Position

The ideal candidate is a recently licensed or soon-to-be licensed physical therapist who is eager to learn and utilize the growth opportunities that Mountain Land offers. Your day-to-day will include working collaboratively with our therapists to treat a diverse caseload; from high-level athletes looking to return to sport, to patients simply looking to live without pain.

### Growth & Mentor Opportunities

We value the growth of our employees - on an individual scale, as well as within Mountain Land. Our Clinic Directors are mentors and have the skills and experience needed to best support you as a therapist. You will find the credentials of each Montana Clinic Director below, as well as some information about their specialties. Each one of these Clinic Directors are looking to add a full-time PT to their staff, with flexible start dates.

#### **Clinic Director/Mentor – Laurel** (<https://www.mlrehab.com/laurel/>)

Jeremy Hansen (PT, DPT, CMTPT) has been with Mountain Land since 2015, and specializes in orthopedic injuries of all regions. He uses manual techniques- such as dry needling- to assist in reducing trigger points. He also customizes exercise programs to ensure patients can return to their normal daily routines.

#### **Clinic Director/Mentor – Billings** (<https://www.mlrehab.com/billings/>)

John Zakrzewski (PT, OCS, CMTPT) has 25 years of experience in outpatient physical therapy. He has his certification in spinal manipulation, has received education in dry needling, and gain additional knowledge and

---

training for human performance advancement for people undergoing cancer treatment, and those with respiratory dysfunctions.

**Clinic Director/Mentor – Billings Heights (<https://www.mlrehab.com/heights/>)**

Sari Stahl (PT, DPT, CSCS) has been with Mountain Land since she graduated with her Doctorate in Physical Therapy in 2008. She specializes in incontinence and women's health. She prioritizes getting to know her patients on an individual level, and believes PT gives her the chance to form bonds with patients while returning them to a functional level.

**Pay Range:** \$68,000 - \$80,000 annual starting rate depending on experience or innovative compensation package that allows you to self-direct your caseload and time off with an expected annual rate of \$70,000-\$100,000. You will also receive \$1,500-\$2,000 in continuing education, and bonuses for board certification.

**Hours & Benefits:** All 3 positions are full-time, fully benefited and are eligible to receive medical, dental, vision, and life insurances, as well as 401k and wellness incentives.

**Ownership & Growth:** Each position will allow for professional pathways including clinical leadership in specialty areas, as well as clinic ownership opportunities if you become a Clinic Director in the future.
