

WANTED: (2) Full Time Physical Therapists

Location: 1-Fergus Falls, MN clinic location

1-Alexandria, MN clinic location

Salary: 85,000+ for the right candidate + bonus, retirement, health ins, etc., etc.

Date needed: ASAP

Northwest Rehabilitation, a private practice physical therapy company with clinic locations in Alexandria and Fergus Falls, MN, is looking for **(2)** full time Physical Therapists to join our rehabilitation team, one at our Fergus Falls clinic location and one at our Alexandria, MN clinic location. **New, or recent graduates are desired** for this opening, simply due to their proximity to formal education and hopeful remaining desire to learn clinically applicable manual therapy skills. **Northwest Rehabilitation** is offering a great starting salary with additional bonus structure, and even potential stock buy options in time for the right candidate. Health Insurance, retirement, and generous continuing education allowance included in benefit package along with professional mentorship to assist in manual therapy certification (MTC) obtainment (if desired)

Northwest Rehabilitation's two clinics are located in West Central Minnesota in the towns of Alexandria and Fergus Falls which both are directly located on Interstate 94 sandwiched between Saint Cloud, MN and the Fargo/Moorhead region. This region is known for its abundant amount of lakes, available for any watersport you can think of, along with forests and rolling plains making for great hunting and other outdoor recreational activities. Both Alexandria and Fergus Falls have populations in excess of 14,000 with a regional draws of approximately 25,000+ in being the largest cities in their respective counties (Douglas and Ottertail).

Northwest Rehabilitation is a manual therapy focused Physical Therapy company that has been located in Alexandria and Fergus Falls for 20+ years. Since inception, **Northwest Rehabilitation's** goal has been to be the most clinically superior clinic in every town/region we occupy. **Northwest Rehabilitation's** pursuit of clinical excellence has led our two Alexandria Physical Therapists to achieve their national Manual Therapy Certification (MTC), with our Fergus Falls Physical Therapist only having to take his test in order to obtain his own MTC.

If you are looking for a job opportunity that allows both clinical and financial growth this position will be hard to match anywhere. For even more information about Northwest Rehabilitation please **refer to our website at:**
