Definitions:

Rural is defined as a population of 25,000 or less.

Underserved is defined for our application purposes by indicating a **Primary Care** Health Professional Shortage Area (HPSA) or Medically Underserved Area (MUA). To verify if an area is underserved, enter the required information at <http://datawarehouse.hrsa.gov/tools/analyzers/geo/ShortageArea.aspx>. If your address is located in a **Primary Care** HPSA or MUA, please mark the form appropriately. If the area is NOT in a **Primary Care** HPSA or MUA, mark N/A.
