DESCRIPTION:	NARRATIVE FEEDBACK PROCEDURE		
RESPONSIBLE:	UNDERGRADUATE MEDICAL EDUCATION COMMITTEE		
PURPOSE:	To establish when summative, written, narrative feedback for a required course in the medical education program shall be provided to students.		
FREQUENCY OF REVIEW:	Annually		
CREATED:	February 23, 2021	REVISED:	N/A

Summative, written, narrative feedback shall be provided to students in required clinical courses and in required courses where small group learning is a significant (more than 25% of the instructional methods used) teaching modality and the outcomes are not group or team-based. UMEC must approve any deviation from this procedure.
