<b>DESCRIPTION:</b>	Mid-Course Formative Feedback Statement		
<b>RESPONSIBLE:</b>	<b>UNDERGRADUATE MEDICAL EDUCATION COMMITTEE</b>		
<b>PURPOSE:</b>	Provide direction and document mid-course formative feedback in all required clerkships and course.		
<b>FREQUENCY OF REVIEW:</b>	Annually		
<b>CREATED:</b>	October 31, 2021	<b>REVISED:</b>	N/A

The Medical Curriculum Committee (MCC now UMEC) has directed courses and clerkships to provide and document mid-course formative feedback for all students participating in all required courses and clerkships, and for many years this has been the practice within the medical program at the University of North Dakota School of Medicine and Health Sciences. It is the responsibility of the course and clerkship director to ensure that formative feedback occurs for all students.
