

## **Policy on Residents Not Being Required to Provide Messenger or Transporter Services**

### **A. Application**

This applies to all residents in the Department of Internal Medicine as well as those residents who rotate through on the inpatient wards.

### **B. Background**

1. The Resident Review Committee (RRC) recognizes that sponsoring institutions must not place excess reliance on residents to meet service needs of the participating training sites.
2. The RRC has identified specific requirements under Section II-A-2-a.

### **C. Policy**

A resident will not be required to provide messenger or transport services, except in the rarest situation. This policy will apply to Sanford Health and the VA Medical Center.
